IVAN BILAN

Birmingham, West Midlands | +447493535783 | bilan.vanya20044@gmail.com

SUMMARY

Passionate about delivering high-quality products and continuously improving my skills. I enjoy taking on new challenges, learning new technologies, and striving to provide the best solutions to meet project goals.

EXPERIENCE

Software Developer
Clearabee | January 2023 - Present

- Created and maintained multiple web and mobile applications.
- Deployed, and debugged project infrastructure using AWS services like Lambda, S3, CloudWatch, SNS, SQS. Ensured scalability and performance optimization for the projects
- Implementation of Agile Practices

Front End Developer
Freelance | February 2022 - November 2022 (10 months)

- Communicated effectively with clients to gather requirements, provide updates, and ensure satisfaction with the final deliverables.
- Managed version control using Git.
